FOR SALE -- THREE PETROLEUM TANKERS

Heil Petroleum Tankers the most efficient, longest lasting trailers in the industry and we are selling three! One 1994 and two 1995 Models. Each of these have four compartments, smooth air ride, spring suspension and aluminum wheels. This equipment has been well maintained, is State certified, ready to receive cargo and produce revenue today! Each tanker has been well maintained and will become a valuable asset to any fleet. Contact Imad Sarkis at (409) 835-2237, ext. 105 or imadsarkis@triconinc.org.

WHOLESALE PETROLEUM MARKETING

REPRESENTATIVE NEEDED

Global is coming to Texas! Global Partners LP, a Fortune 500 company, is a leading East Coast petroleum marketer and terminal operator. As Global enters multiple markets in Texas, we are looking for an experienced Marketing Representative to lead the charge. Ambition is a must. If you are interested in this position, please contact Steve Schooley, Wholesale Marketing Manager, at 781-398-4319 or by e-mail at sschooley@globalp.com.

STAGE I & II VAPOR

RECOVERY COMPLIANCE:

For retail fueling facilities in Stage II non-attainment areas, TPCA has the solution for your record keeping dilemma. We have convenient 3-ring binder which contains all the material to meet TCEQ requirements. This includes Facility Representative self-study workbook, hourly employee workbook, and a year's worth of Stage II forms. For more information call TPCA at (800) 460-8662 or order online at www.tpca.org.

ONLINE TRAINING TO MEET YOUR NEEDS:

TPCA provides access to online training for employee seller/server certification Food Handler and Food Manager Certification courses. With this convenient training tool, employees can be rapidly trained and certified before heading to their first day on the job. The more tools they have to do the job you have hired them to do, the better they will meet your expectations.

For the TABC-approved alcohol seller/server course, the cost is \$16.95 per individual.

The training course for Food Handlers is \$10.00 per employee and the Certified Food Manager Course is \$99.00 or \$45.00 for the Examination only.

A tobacco seller certification program has been added and bundled pricing for new employee certification is being offered.

For the TABC-approved alcohol UST Operator Training is currently under development for the 2012 compliance deadline and will be available soon.

Corporate accounts can be set up, by contacting Kevin Urbanowicz at 512-539-2981 or via email to kevin.urbanowicz@360training.com. Discounts are available based on the number of employees trained each year.

For more information, contact Doug DuBois at (800) 460-8662, or dedubois@tpca.org.
