

Are You In Compliance?

TPCA now has decals to comply with the Texas Department of Licensing and Regulation requirements for disabled access to fuel dispensers. The laws says:

Disabled Access

Customers that cannot reach upper buttons:

- **Remove nozzle**
- **Lift hook**
- **System will alert cashier who will remotely authorize desired transaction.**
- **After fueling, replace nozzle**
- **Please pay cashier**
- **If unable to activate, please see cashier**

“Fuel dispensers which are installed at facilities constructed after January 1, 1992, and prior to October 1, 1998 shall include a sign at each dispenser suggesting alternative methods of obtaining fuel and/or assistance.

For facilities constructed after October 1, 1998, signs directing persons to compliant dispensers shall be prominently displayed.”

TDLR requires a sign at each dispenser. These decals are available for \$1.00 each plus tax (8.25%) and shipping (\$3.00 for each 25 decals ordered). **Questions?** Call Chris Newton at (800) 460-8662.
